

VALLEY BROADCAST LEGENDS

January 2022 Update

In-Person in February? Stay Tuned.

We're going to do our best to be back with a live, in-person meeting on February 10—but you've all heard that tune before, right? This time, your VBL board is making no promises or predictions, only positive thoughts. If the pandemic situation feels right, and if it looks like enough of you are willing to attend an in-person luncheon at the Club Pheasant, we'll go ahead. If not, get ready to Zoom. Watch your email for updates as they become available.

One thing we know for certain—if we're able to hold an in-person luncheon meeting in February, it will be a hybrid affair, streaming live on Zoom for those unwilling or unable to come to an in-person event. Thank you to AV wizard **Bud Kress** for making this possible!

About the February Program

2022 marks the **100th anniversary of KFBK**, so our February program will be devoted to the legend and lore of Sacramento's powerhouse news and talk station. We've already lined up a reunion of the popular **Dave 'n' Bob** morning team—**Dave Williams** and **Bob Nathan** have both agreed to be part of the program. Watch for the February newsletter for details, and in the meantime, save the date—**February 10**—for this once-every-century program.

At left, Dave (left) and Bob from a “best of” feature in Sacramento magazine in the late 1980s.

We're Working on It, Honest!

“It” being on-demand streaming of **VBL's 20th anniversary commemorative video**. We know many of you were unable to attend our December Zoom meeting and thus missed the presentation. Those who were able to hop on board may wish to watch it again, or share it with other broadcast industry friends—especially the “In Memoriam” section. Team VBL is working to get it out into the world, and we'll let everyone know as soon as it is available.

Jim Update: It's Sunny at Sunrise

We're delighted to report that President **Jim Drennan**'s health situation has improved tremendously and he's ready to assume his leadership role. He's now able to eat solid food,—yes, treats are now allowed!—he's no longer confined to a wheelchair, and best of all, his mood and cognitive abilities have returned to pretty much normal. He's happy with his living situation at Sunrise of Carmichael and is always eager for visitors. Best to call first, 916/485-4500, before dropping in. Sunrise of Carmichael is located at Fair Oaks and Garfield.

Your Next Full Newsletter Will Arrive on Feb. 1
